

KSDC Cell Phone Policy and Permission Form

We at Kenwood understand that some parents/guardians want their kids to have their cell phones with them while they are at camp or on a field trip and we respect that wish. However, there have been a few incidents that have made the staff question the leniency of the policy. This summer we will be implementing our new cell phone policy and permission form for every camper that wishes to bring their phone to KSDC.

The Campers are welcome to use their phones/devices to contact their parents, use during downtime at camp/on the bus, take pictures on trips, and other wholesome reasons.

The first time a phone is discovered being used for any inappropriate reason/use, it will be confiscated for the day and returned to the parent/guardian at time of pickup. CAMPER initials _____

The second time a phone is discovered being used inappropriately, it will be confiscated and returned as well, but the camper will not be able to bring a phone or device to camp for the remainder of the summer. CAMPER initials _____
